關於本講座

雀鳥、蝴蝶和蜻蜓不僅是我們所熟識的生物，亦是生態攝影師所喜歡的拍攝題材。攝影師首先要找尋拍攝的對象，再配合適當的器材，並以拍攝角度、光圈快門的運用與及光影技巧等，創造理想的攝影作品。是次講座，講者會向大家分享生態攝影的竅門和技術，解說對大自然的正面態度，鼓勵珍惜自然資源。

講者

蘇毅雄先生 生態協會總監

於香港大學取得生態及分類學系哲學碩士、及新聞及傳媒研究中心新聞碩士。蘇先生是多產的撰稿人及攝影師，透過攝影作品，分享珍貴的生態記錄以及自然界動人的一面。蘇先生亦積極舉辦多類型的工作坊，讓參與者認識環境議題，在認知與欣賞的過程之中，參與自然保育工作。

About this Seminar

Bird, butterfly and dragonfly are some of the most fascinating subjects that attract many nature photographers. In addition to finding suitable target for imaging, the use of adequate equipment and the combination of photographic angles and camera settings are essential skills for successful photography. In this seminar, speakers will share with us the essence and skills towards good wildlife photography, the appropriate attitude towards our nature and natural resources.

Speakers

Mr. Samson So Director, Eco Institute

Mr. So has a Master of Philosophy in ecology at the Department of Ecology and Biodiversity and Master of Journalism at Journalism and Media Studies Centre at The University of Hong Kong. Samson is a prolific writer and photographer. Through his lens, he shares the beautiful world of nature and valuable field records. He is also keen to organise different varieties of workshops to promote nature appreciation, encourage participants to be aware of environmental issues and contribute to the nature conservation.

Mr. Hydrogen Pun Advisor, Fung Yuen Butterfly Reserve Tai Po Environmental Association

Mr. Pun has started butterfly photography, researches and conservation work since 2003. His extensive experience includes serving as speaker for nature photography seminars, adjudicator for photography and butterfly record competitions, coordinator for general public eco-tours, and trainer for university students to conduct baseline surveys. Mr. Pun is also the author of a number of photographic guides, including 'Photographic Handbook of Hong Kong Butterflies', 'A Photographic Monograph on Hong Kong Butterflies', 'Encyclopedia of Hong Kong Butterflies – Butterfly Identification', 'Fung Yuen Biodiversity Series' and 'Hong Kong Butterfly Watching Guide Book'.

Mr. Yam Wing Yiu Field Officer, Wetland and Fauna Conservation Division, AFCD
