HK Bird Watching Competition 2013

Fundraising Event

6-7 April 2013 (1600-1600)

To: Members and Friends of HKBWS

“Records 232– HK Bird Watching Competition 2013”, a regular annual event of the Society since 2002, aims to promote bird watching activity in HK and to encourage members to submit bird watching record on regular basis. This competition would give participants a new insight of bird watching in form of a competition in which they experience self-challenge to maximize birds seen in a definite period of time and, at the same time, birders can share and exchange experience. An exiting and pleasant experience you may not otherwise have in a normal bird watching activity.

To ensure the continuance of our work for the ultimate vision of “People and birds together; Nature forever”, YOU are cordially invited to participate in the “Records 232 – HK Bird Watching Competition 2013” in the following ways:

- (1) take part in the competition with your family members and friends and raise fund through this race;
- (2) make donation to the Society directly.
