

Friday 26th April – Monday 29th April, 2019

Hong Kong will be competing with over 170 cities worldwide in the City Nature Challenge 2019 and your help is needed to make it a success! It's simple!!

Download iNaturalist App

Create an account

Find Wildlife

It can be any plant or animal found in Hong Kong (except pets and potted plants!)

Take A Picture Of What You Find

Make sure to do this on the iNaturalist App!

Share Your Observation

Upload your picture and add as many details as you can!
